## Get Fit With Troy in Old Town

Troy Harris has been working as a personal trainer for the past six years. He had clients through his job at the YMCA, and he also worked with people in their homes or workplaces. As his business grew, Harris decided to provide services from his own studio, which opened last month in Old Town. Born and raised in Rock Hill, he chose a location where he felt he could best contribute to the City.

Harris is passionate about helping people get fit. He incorporates elements of yoga, pilates, kickboxing, weight training, and other exercises into each workout, tailoring sessions to clients' individual needs. He works with people of all ages and experience levels.

He also offers the first session free for all new clients. All sessions, for both individuals and corporate groups, are by appointment only.

The grand opening celebration for Get Fit With Troy will be held on February 22nd from 4:30pm to 7pm. While admission is free, donations will be accepted for St. Jude Children's Research Hospital. During the celebration, the public will be able to observe workouts and register to win a month of free sessions.

Get Fit With Troy is located at 109 Caldwell Street. To make an appointment, call 803-493-5536. For more information, visit the website: [getfitwithtroy.com](http://getfitwithtroy.com)
